PERVIS POLK CUP

Honoring Pervis. Building a tradition.

Pervis Polk spent his life pouring into Pasadena athletes — the mentor who showed up, who believed in kids first, and who taught that how you carry yourself matters as much as how you compete.

This Olympic-style 3x3 tournament carries his name and his standard. In its new form it runs two full days and fields 50 teams — bigger reach, more games, more good done.

Why sponsor.

A weekend, not a moment

Two days of play means two days of eyeballs — 50 teams, families, and fans across Saturday and Sunday.

Local & legible

Every dollar visibly lands in Pasadena: three schools, a scholarship, and a \$3,000 prize pool.

A name worth standing next to

Pervis Polk's legacy is mentorship and character — exactly the story good sponsors want to share.

Built to grow

This is the inaugural two-day field. Founding sponsors anchor the tradition from year one.
