# THE STATE OF 3X3

The Pervis  
Polk Cup

2026

# Honoring Pervis. Building a tradition.

Pervis Polk spent his life pouring into Pasadena athletes — the mentor who showed up, who believed in kids first, and who taught that how you carry yourself matters as much as how you compete. This one-day, Olympic-style 3×3 tournament carries his name and his standard.

# Entry fees fund the event. Sponsorship powers the gift.

A field of 16 teams at \$250 each funds a first-class event. Light sponsorship turns the donation from “just made it” into “exceeded the goal.”

Every dollar raised helps put \$1,000 into three local high schools — starting with the John Muir Mustangs.

Goal, year one: donate \$3,000+ and grow it from there.
